

Audition Techniques & Acting for the Camera

11-17 Years | \$425

[Click to Register](#)

This workshop is designed for kids who have no experience but would love to learn more about the film & television industry! Working with professional actors, students will focus on learning how to improvise, breakdown and memorize a script, perform a monologue, and how to shine at an audition!

Our students will have lots of time on camera as well as valuable feedback from our coaches. A professional photo shoot is included in the workshop and all students will leave with 2 professionally edited images.
